

I am sending this comment to address the issue of the FCC introducing a new broadcast service known
Please make sure that K-love stays on the air.

Sincerely,

as Low Power FM, proposing to expand this service that would allow th LPFM to take priority over curre

ant FM translator service. The station I listen to, 94.3 K-Love is heard on Fm Translators. K-love is a sta

ation that serves a positive message, and supports wholesome values. It has positive encouraging mess

sages, that impact communities all across America. There is a lot of negative messages being put out to

America. There is a lot of negative messages being put out to our youth today, please help us to preser

America. T
